

Quicken for Windows Conversion Instructions

Quicken for Windows 2012-2015

Direct Connect

As **Franklin First FCU** completes its internet banking enhancements, you will need to modify your Quicken settings to ensure the smooth transition of your data. To complete these instructions, you will need your **[User ID and Password]** for the **Franklin First FCU** website.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

NOTE: This update is time sensitive and can be completed on or after **2/24/2015**.

Documentation and Procedures

Task 1: Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help** menu > **Quicken Help**. Search for **Backup Data File** and follow the instructions.
2. Download the latest Quicken Update. For instructions to download an update, choose **Help** menu > **Quicken Help**. Search for **Update Software** and follow the instructions.
