

ATM OUT OF SERVICE

November 24, 2021

Unfortunately a damaged card was inserted into our ATM at 57 Newton Street, and now it is stuck in the card reader resulting in our ATM being down. Because of the holiday - we will not be able to have it repaired until Friday. We understand the inconvenience this causes - and hope that one of these alternatives might be helpful.

ATM Cash Access -

Franklin First ATMs are located at the Greenfield, Mass Police Department on High Street, and at Baystate Franklin Medical Center also on High Street.

Additionally - We are participating members of the SUM Network, and MoneyPass network - you may use your Franklin First ATM/Debit card at participating ATMs surcharge free.

Need to make a deposit - Please use the night drop depository outside our front door (just to the left) - we will process your deposit first thing Friday Morning.

Lastly - If your card is damaged , please get it replaced as soon as possible.

Sincerely,

Franklin First
